

Golden Tide

IT PROFESSIONAL SERVICES · RATE CARD

Samoa · New Zealand · Australia

Standard professional rates for everyday support, consulting, projects, emergency call-outs, audits, and training.

Currency: WST (Samoan Tala) unless a quote specifies NZD, AUD, or another currency. Final fees depend on system size and complexity and may be negotiated on the quote.

South Pacific pricing. These prices are far less than typical New Zealand and Australian IT company rates. Golden Tide keeps them accessible to help small and medium businesses across the South Pacific islands.

SERVICE	RATE
Emergency call-out Priority response for outages, critical failures, and urgent after-hours incidents. Base call-out fee covers mobilisation; further work billed at the applicable hourly rate.	\$350 base fee
Everyday IT support Day-to-day support issues — email, printers, user accounts, workstations, connectivity troubleshooting, and routine break/fix.	\$100 per hour
Consulting Advice, assessments, planning, meetings, and general technical consulting.	\$150 per hour
Specialised project work Hands-on delivery — migrations, builds, integrations, TIMS work, complex infrastructure and security projects.	\$200 per hour
Complete system audit Full environment review with findings and a prioritised remediation roadmap. Scope sized to your systems; complex estates may be quoted separately.	\$500 flat fee
IT training Hands-on staff training. Booked in whole days; minimum engagement 2 days .	\$80 per hour · min. 2 days

FIRST HOUR BILLABLE

The **first hour is always billable**, even if the session lasts only 30 minutes (or less). After the first hour, time is billed in agreed increments on the quote or invoice.

NEGOTIABLE RATES

Depending on the **size and complexity** of your systems — and the length of engagement — rates may be negotiated. Fixed-price packages available on request.
