IT PROFESSIONAL SERVICES · RATE CARD

Samoa · New Zealand · Australia

Standard professional rates for everyday support, consulting, projects, emergency call-outs, audits, and training.

**Currency:** WST (Samoan Tala) unless a quote specifies NZD, AUD, or another currency. Final fees depend on system size and complexity and may be negotiated on the quote.

| SERVICE                                                                                                                                                                                                    | RATE                                  |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|
| <b>Emergency call-out</b><br>Priority response for outages, critical failures, and urgent after-hours incidents. Base call-out fee covers mobilisation; further work billed at the applicable hourly rate. | <b>\$350</b><br>base fee              |
| <b>Everyday IT support</b><br>Day-to-day support issues — email, printers, user accounts, workstations, connectivity troubleshooting, and routine break/fix.                                               | <b>\$100</b><br>per hour              |
| <b>Consulting</b><br>Advice, assessments, planning, meetings, and general technical consulting.                                                                                                            | <b>\$150</b><br>per hour              |
| <b>Specialised project work</b><br>Hands-on delivery — migrations, builds, integrations, TIMS work, complex infrastructure and security projects.                                                          | <b>\$200</b><br>per hour              |
| <b>Complete system audit</b><br>Full environment review with findings and a prioritised remediation roadmap. Scope sized to your systems; complex estates may be quoted separately.                        | <b>\$500</b><br>flat fee              |
| <b>IT training</b><br>Hands-on staff training. Booked in whole days; <b>minimum engagement 2 days</b> .                                                                                                    | <b>\$80</b><br>per hour · min. 2 days |

**FIRST HOUR BILLABLE**  
The **first hour is always billable**, even if the session lasts only 30 minutes (or less). After the first hour, time is billed in agreed increments on the quote or invoice.

**NEGOTIABLE RATES**  
Depending on the **size and complexity** of your systems — and the length of engagement — rates may be negotiated. Fixed-price packages available on request.
