

Terms & Conditions

GOLDEN TIDE IT PROFESSIONAL SERVICES

Effective September 2026 · Applies to all quotes, invoices, and engagements unless a signed agreement states otherwise. "We / us" means Golden Tide IT Professional Services (Justin Van Staden). "You / Client" means the person or organisation receiving services.

1. RATES & QUOTATIONS

1. Standard rates are published on the Golden Tide **Rate Card** (as updated from time to time).
2. Current headline rates (WST unless otherwise agreed): Emergency call-out **\$350** base; Everyday IT support **\$100/hour**; Consulting **\$150/hour**; Specialised project work **\$200/hour**; Complete system audit **\$500** flat; IT training **\$80/hour** with a **minimum of 2 days**.
3. Depending on the **size and complexity** of systems, and the length of engagement, rates may be **negotiated**. Agreed rates will appear on the quote or invoice.
4. Quotes are valid for the period stated (default 30 days) and may be withdrawn if not accepted in writing.

2. TIME BILLING

1. The **first hour is always billable**, even if the work or meeting lasts only 30 minutes (or less).
2. After the first hour, time is billed in the increments shown on the quote or invoice (typically hourly or part-hour as agreed).
3. Travel time for on-site work may be charged at the consulting rate unless the quote says otherwise.
4. Emergency call-outs attract the base call-out fee; additional labour after mobilisation is charged at the applicable hourly rate for the work performed.

3. TRAINING

1. IT training is charged at the published training rate with a **minimum booking of two (2) days**.
2. Cancelled training with less than 48 hours' notice may be charged at 50% of the booked minimum, at our discretion.

4. AUDITS & FIXED FEES

1. A complete system audit at the flat fee covers a standard SMB environment as scoped in the quote.
2. Larger, multi-site, or highly complex environments may require a custom quote before work starts.

5. INVOICES & PAYMENT

1. Invoices are payable within **14 days** of the invoice date unless otherwise agreed in writing.
2. Payment details (bank, branch, account name, account number) appear on each invoice. Account name for BSP Samoa payments: **Justin Van Staden**.
3. Please quote the invoice number as your payment reference.
4. Overdue amounts may pause further work until the account is brought current.
5. Prices exclude tax / VAGST unless the invoice shows tax as a separate line.

6. CLIENT RESPONSIBILITIES

1. You will provide timely access, credentials, decision-makers, and accurate information needed to perform the work.
2. You remain responsible for licences, third-party vendor fees, and hardware purchases unless we agree to procure them on your behalf (passthrough costs will be invoiced).
3. You should maintain your own backups before major changes; we will advise when additional backup steps are recommended.

7. SCOPE CHANGES

1. Work outside the accepted quote is a change of scope and may adjust fees and timelines. We will confirm material changes before proceeding where practical.

8. CONFIDENTIALITY & DATA

1. We treat your business and technical information as confidential and use it only to deliver the engagement.
2. You warrant that you have the right to grant us access to systems and data we need for the work.

9. LIMITATION OF LIABILITY

1. Services are provided with reasonable skill and care. We are not liable for indirect or consequential loss (including lost profits or data), except where liability cannot be excluded by law.
2. Our aggregate liability arising from an engagement is limited to the fees paid for that engagement in the three months before the claim, except where the law requires otherwise.

10. ACCEPTANCE

1. Accepting a quote, instructing us to proceed, or paying an invoice constitutes acceptance of these Terms & Conditions and the Rate Card in force at that time.
